

## Managing Profiles

~185 words	Title card / Branding
<p>Managing your Fios TV Profiles is easy breezy, and lets everyone in your home zip straight to their favorite shows.</p> <p>After you've created a <b>Profile</b>, you can quickly jump to all your favorite content in <b>My Stuff</b>.</p> <p>Here you'll find upcoming episodes of your favorite TV shows, movies, and all your recordings.</p> <p>Creating a profile, adding favorite actors and following shows also lead to better recommendations as you use Fios.</p> <p>To view your Profile, go to Settings in the Top Level Menu, then Profiles.</p> <p>Piece of cake.</p>	<p>Show Profiles. Show My Stuff.</p> <p>Show these items.</p> <p>Show recommendations and suggestions.</p> <p>Show Settings and Profiles.</p>
<p><b>Want to create or delete a profile?</b></p> <p>Just go to to Settings...Profiles...then carry on as you wish.</p> <p>You can also change your profile name or color here.</p>	<p>Show this flow.</p>
<p><b>Switch profiles by</b> pressing the profile button on the remote.</p> <p>Or simply press your microphone button and say "go to my profile".</p>	<p>Show profile button.</p> <p>Show.</p>
<p>Set this up by creating a "Voice ID" in the Settings menu when you create your profile.</p> <p>You'll be asked to repeat a phrase three times so your New Fios remote and TV will recognize you.</p>	<p>Show profile creation and voice ID setup screens.</p> <p>Show this flow.</p>
<p>That's it and that's all — your profile's good to go!</p>
