

Purchases and Rentals

| | |
|--|--|
| ~219 spoken words | Title card / Branding |
| Fios makes it SO easy to rent or buy your favorite shows or movies so you can watch them again and again, any time you want! | Show video playing |
| Browse the Featured section from the Main Menu to find <i>new</i> movies to purchase or rent. | Show Featured menu |
| Or just tell your remote what you want. It's as easy as 1 - 2. | Show voice UX |
| "One" -- Press and hold the microphone button on your remote. | Show microphone button |
| "Two" -- Speak a clear, simple command like, "Watch Blue Bloods". You can also search by your favorite movie genre, actor name and more. | Show program info page |
| Using the arrows on your remote, select the program you'd like to watch by pressing "OK". | Show remote arrows. Show OK button. |
| If you have a purchase PIN enabled, enter it before you make your purchase. This prevents unauthorized purchases on your account...and can be managed in your Settings . | |
| All of your favorite shows, movies, rentals and purchases will show up in My Stuff for easy access. | Show My Stuff |
| The movies and shows that you <i>purchase</i> are yours forever, while <i>rentals</i> disappear after they expire. | Show a purchased movie and expiring rental |
| Want to dig a little deeper? Browse to look through even more content. Discover new, featured content and suggested programs based on what you | Show Browse section |
