

## Say It

~194 words	Title card / Branding
<p>Using <b>Fios Say It</b> is the fastest and easiest way to navigate your Fios TV!</p> <p>And it's as easy as "1 - 2." That's right, you don't even need the "3".</p> <p>Ready? Let's do this.</p>	
<p>"One" -- Press and hold the microphone button and say what you want to watch.</p>	<p>Show Mic button on RC - hand pressing and holding.</p> <p>Maybe show a big "1"</p>
<p>"Two" -- Speak a clear, simple command...</p>	<p>Show voice input (as text), with results on screen.</p> <p>Maybe show a big "2"</p>
<p>Say things like "What's on tonight?", "Tune to ESPN", "Watch the Bachelor", "Nicole Kidman movies"...the possibilities are endless!</p>	<p>Show these examples.</p>
<p>Find your favorite TV shows and movies right away by saying "Go to my profile".</p> <p>Boom! There they are.</p> <p>Then, using the arrows on your remote, choose what you want to watch and press "OK".</p>	<p>Show this action/my profile.</p> <p>Show arrows on remote. Show OK button.</p>
<p>Wondering if you'll need a jacket in San Francisco tomorrow?</p> <p>Just press the mic and say, "What's the weather like in San Francisco tomorrow?".</p> <p>You'll see the current temperature, weather conditions, and next day's forecast for San Francisco.</p> <p>How easy was that?! Thanks Fios!</p>	<p>Show weather popping up in UX.</p> <p>Show this action and the results.</p>
