

Search and Browse

~266 words	Title card / Branding
It's SO easy to find anything you want on your new Fios TV!	
<p>Say It is the fastest and easiest way to find shows, movies, athletic events and anything featuring your favorite actors.</p> <p>Quickly find very specific results by saying things like "1972 comedies" or "Harrison Ford Star Wars".</p> <p>Just press and hold the Microphone button and say what you want to watch. Let's try "Watch Star Wars".</p> <p>Well lookie here! Just what we wanted!</p> <p>Now just arrow over and press "OK".</p>	<p>Show voice search yielding a very specific title.</p> <p>Show Mic button on RC - hand pressing and holding.</p> <p>Show voice search finding Star Wars movies to select from.</p> <p>Show person/hand using arrows and OK button.</p>
<p>You can say all kinds of stuff, like "watch Family Guy", "Tune to CNN", "help with my remote", "turn on closed captioning", "weather", "time", and much more!</p> <p>Go on...give it a shot!</p>	Show at least one of these examples.
<p>So what's this circled heart button?</p> <p>Just press it to follow this and every episode of this show. Following tells Fios about your favorites and gives you recording options.</p>	Show circled heart (follow) button.
Find all your favorite content right away by saying "Go to My Profile ".	<p>Show this action/my profile.</p> <p>Unless we choose a user name, like Dave. Then all "My Stuff" or "My Profiles" would be "Dave's Stuff" or "Dave's Profile" — <u>the UX will use real names.</u></p>
Feeling a little nostalgic? Of course you can also search for programs by entering text.	Show text entry Browsing.

<p>Just go to the top level menu and use the onscreen keypad to enter the name of the program, actor or movie you're looking for.</p> <p>Annnd Bingo...results.</p>	<p>Show this action.</p>
<p>Let's see...where else can we go?</p> <p>Check out your Featured section for programs tailored just for you.</p>	<p>Show Featured section.</p> <p>Show What's New, Trending and more.</p>
<p>Feeling a little undecided?</p> <p>Go to Browse to see common categories and check out the full Fios catalog.</p>	<p>Show Browse in the top level menu.</p>
<p>Or Browse every movie and TV program available by category, genre, and type.</p>	<p>Show Browse</p>
<p>No matter how you like finding your favorite TV shows and movies, Fios makes it easy!</p>
