

## Welcome / First Use

~271 words	Title card / Branding
<p>Congrats! You just joined the best experience in interactive video viewing -- The New Fios TV!</p>	<p>The Welcome video should display navigation through many of the UI screens as well as how to get to them using the remote control.</p> <p>Show the <b>Menu button</b> as well as <b>voice commands</b>.</p>
<p>Your New Fios TV comes <b>loaded</b> with incredible features and programming....</p> <p>Stuff like...</p>	
<p><b>Say It</b> -- Just tell your remote whatever TV show, favorite actor or movie you want!</p>	<p>Show someone calling up content using voice commands.</p>
<p>Your new <b>voice remote</b> is simple and powerful, so you can quickly <b>Find, Follow</b> and <b>Watch</b> your favorite actors, shows and new releases.</p>	<p>Show Search, Explore and selecting (OK) actions -- TV shows and/or movies.</p>
<p>And your New Fios TV channel lineup includes <b>3-Day Catch Up</b>.</p> <p>That's right, you can go back in time <i>three days</i> to watch available shows you've missed.</p>	<p>Show Channel Navigation and 3-Day Look Back</p>
<p>Want DVR with all the latest and greatest perks? You've got it!</p> <p>DVR up to <b>12</b> streams at one time. Now <b>THAT</b> makes for a happy home!</p>	<p>Show DVR section.</p> <p>Show 12 shows being recorded. Smiling family faces...recording multiple shows from different genres?</p>
<p>Got <b>portability</b>? Yes you do!</p> <p>With Fios you can watch <i>anytime, anywhere, with almost any</i> mobile device.</p>	<p>Show viewing on different sized mobile devices in a bedroom, in a car, in a coffee shop, outside, etc.</p>
<p>Cruise on over to your <b>Featured</b> section to find programs tailored just for you....the more you watch, the more customized it gets!</p>	<p>Show Featured section.</p>
<p>Ready to break in your sweet new 4K TV?</p>	<p>Show 4K logo and high-def content.</p>

<p>The New Fios TV offers more 4K content and HDR programming than <b>any</b> other cable provider.</p> <p>...And all your programs are delivered wire-free via Wi-Fi at up to 1,000 Megabytes per second!...giving you the highest-quality streaming available for <b>all</b> your devices.</p> <p>You can even save DVR content to mobile devices for on-the-go viewing!</p>	<p>Show quick streaming of a movie, etc.</p> <p>Show this on a phone or tablet.</p>
<p>And don't forget to <b>set up Personal Profiles</b>.</p> <p>Tell us what you like so we can bring all your favorites front and center.</p>	<p>Show a mock personal profile and how selecting favorites "builds" your profile and recommendations.</p>
<p>We think you'll love these and many more features packed into your New Fios TV.</p> <p><b><u>Only Fios</u></b> offers this much entertainment in one place!</p>
