Full Turn-key or Major Category Installation

Full Turn-key

Turn to us when you're looking to renovate an entire unit—we do everything from start to finish, including:

- Cabinets
- Door and Drawer Fronts
- Countertops
- Granite
- Appliances
- Plumbing
- Lighting
- Electrical
- Interior and Exterior Doors/Millwork
- Paint and More!

Avoid the hassle of buying products, finding contractors and scheduling your project. We can be your single point of contact for products, labor and project scheduling!

Material Logistics and Scheduling

- Our material logistics system eliminates on-site product storage. Our staff will have products delivered to your site when ready for install, and old products removed as we maintain a clean property.

Quality Labor Management

- All contractors are fully licensed
- Background checks & insurance requirements met
- All labor is guaranteed for one year

How does the installation process work? >(MOVE INTO TEXT BOX WITH #1-4 BELOW)

1. Contact your local sales representative for more information about HD Supply's Installation Services
2. Our Renovation Sales Coordinator (RSC) identifies necessary products in a property walk-through with you
3. Our Contractor and Project Manager identify installation needs
4. A product and labor bid is presented to you for approval. Once approved, the product is ordered, delivered, and installed
